Supervisor Chase, Burger, Palmer, Gaynor and Lober were appointed a committee to investigate the methods of recording proceedings in the Drain Commissioner's office. On motion of Supervisor Burger, members of this committee were voted \$4.00 per day and mileage during the investigation.

The annual report of Prosecuting Attorney Adams showed a total number of cases prosecuted during the year, 296. Of this number, there were 276 convictions, Acquitted, 4; Discharged on payment of costs, 7; Nolle Prossed, 1; Escaped, 8.

Supervisor Burger of Bangor moved that the burial fee for Indigent Soldiers and Sailors be limited to \$35.00. Supervisor Wheeler moved an amendment increasing the limit to \$40.00. Amendment was lost and original motion fixing the maximum at \$35.00 was carried.

Several of the Supervisors suffered with a Sour Stomach throughout the entire week. Certain members are subject to these periodical attacks which usually appear about the time of an annual meeting.

Resolutions in honor of the memory of Supervisor Lewis Hoag, deceased of the first ward of the city of South Haven were unanimously passed.

On account of alleged unjust and unfair treatment at the hands of the Claims committee in auditing bill for printing Primary and General election ballots last year, The True Northerner asked to be released from the general printing contract. Said request was granted, and a new contract awarded The Free Press and Courier.

Dr. Ide of Mattawan reports a total of eighty-three cases of Influenza and three cases of pneumonia in his community, without the loss of a single patient.

Mrs. Maurice Cagney of Kalamazoo passed away at Borgess hospital early Saturday morning after an illness of four months. Besides her husband, she leaves her mother and father Mr. and Mrs. Matthew Dillon of this village, four sisters, Sister Mary Florentine, Mrs. Albert Hatfield David son, Mrs. Charles Carroll and Margaret Dillon, three brothers, John Dillon, William Dillon and Lieutenant Robert L. Dillon who is now in service overseas with the eighty-fifth Division. Mrs. Cagney was before her marriage Miss Katherine Dillon, was graduated from Paw Paw High school and for many years a teacher in Van Buren county. The funeral services were held from St. Joseph's Catholic church in Kalamazoo Monday morning and she was laid to rest here in St. Mary's cemetery in the family lot.

The annual meeting of the Van Buren County Fire Insurance company was held in the Maple City club rooms last Monday. The annual report of the secretary showed a prosperous year, and the business affairs of the company are in a flourishing condition. The total membership is now 4,310, a gain of 372. The company is now carrying a total of \$6,346,580 in risks, a gain of \$295,900. The losses for the year were \$8,472.01 and the books show a cash balance on hand of \$2,333.98. The assessments this year were thirty cents on a hundred, a decrease of five cents over last year. The old officers of the company were re-elected as follows:—M. H. Pugsly, President; M. D. Buskirk Vice president; B. L. Breed, secretary; E. F. Parks, Treasurer. C. B. Charles of Bangor and E. J. Dayton of Waverly were re-elected members of the Board of Directors, and J. C. Stafford of Lawrence, elected a new member for one year. The Board of Directors now consists of six members instead of four as formerly. Prospects for the year are bright for this enterprising Van Buren county company.

The following criminal matters were disposed of in Circuit Court on the opening day last Monday:—Harris Ware, charged with assault with intent to do great bodily harm, less than the crime of murder, was arraigned and plead guilty. Mr. Horner, upon whom he inflicted the wound, admitted in open court that he was proceeding with a chair to strike him when he was stabbed, and that Ware was acting in self-defense, and asked the Court that Ware be not sentenced because he was equally guilty. The Court refused to dismiss the matter and suspended sentence on Ware until the next term of court. Eric Winkel, a young boy of eighteen, was charged with larceny. The complaining witness, Mrs. Radtke of South Haven, appeared in Court and asked that the boy be admitted to parole, claiming that if she had known that he was likely to go to prison for it, she would not have made the complaint, that she thought the boy was not mentally strong. Winkel appeared in court and when the complaint was read over to him, his father was present, but he stood mute and seemed dull and not to comprehend it, but after a time the Court interrogated him and found he had taken the watch, the theft of which he was accused of. The Court took the case under advisement, sending the young boy to the County Jail for future consideration and sentence. Louis Cantile, who was charged with the larceny of an automobile, plead guilty. He was remanded back to jail for sentence. In the case of Ralph Clarence Spencer vs. Lillie Ashbrook Spencer, a decree of divorce was granted on the ground of extreme cruelty and desertion. The wife was given the custody of the children and alimony. She owning a farm.
